			Edit Properties Copy to File	

3. Trong màn hình Certificate Export Wizard nhấn Next

<ul> <li>Ertificate Export Wizard</li> </ul>	×
Welcome to the Certificate Export Wizard	
This wizard helps you copy certificates, certificate trust lists and certificate revocation lists from a certificate store to your disk.	
A certificate, which is issued by a certification authority, is a confirmation of your identity and contains information used to protect data or to establish secure network connections. A certificate store is the system area where certificates are kept.	
To continue, click Next.
